ABOUT US

BULLGOGI is named by blending 'Bull' — a symbol of strength and vitality— with 'Gogi', the Korean word for meat. We bring one of Korea's most beloved dishes, Bulgogi, to the heart of MCR.

We've created a warm and welcoming space where guests can enjoy authentic Korean food and drinks with a modern twist. Our menu offers a variety of small plates, all made with natural Korean ingredients and traditional cooking methods. They're perfect for sharing—just as we do in Korea.
